

Please join us for the next GDE Medicines Optimisation Learning Network event on 'e-**Prescribing: working together for safe medicines and optimised systems**'.

The event will be taking place on the **14 May** in central London and is a must for teams involved in implementing and optimising e-Prescribing systems.

Event highlights

- There will be the opportunity to hear from national experts on medicines administration including **Simon Eccles Chief Clinical Information Officer for Health and Care**;
- There will be opportunities to learn from and network with peers who have or are implementing e-PMA
- There will be opportunities to take part in workshops designed to help speed up projects and provide practical advice
- There will be opportunities to hear the latest on suppliers in this market and best-practice supplier management

Date: Tuesday 14 May 2019

Time: 10.15 – 4.15pm, with registration and coffee from 9.30am

Location: The British Library, London, near Euston

For more information and to book your place for the event [click here](#).

This event is part of the NHS Global Digital Exemplar learning events programme and is open to all teams from acute, mental health and community services who are leading or involved in ePMA implementation. It is also open to relevant suppliers. Places are limited.
